ABOUT MARCUS OUR HOODLUM FIXER

Marcus is a logistics wizard, having managed hundreds of high-profile projects. He's been working in the events and film location fixing industry for 7 years. He owns two tortoises.

"Our goal is to break the generic tendencies in content creation. We want your audience to see you the way we do; the clear choice in a sea of inferior ones. And we accomplish this through strong, clear, and consistent messaging, and through beautiful, compelling imagery. Basically, an all-in-all kick-ass product".
