PROFESSIONAL SUMMARY

With decades of hands-on industry experience, I bring a complete suite of skills to research, budget, scout, plan, manage, and execute productions of any scale. I'm known for problem-solving under pressure, streamlining costs, and delivering without errors or excuses. I've built an extensive network of trusted crew, suppliers, and production partners across Australia and internationally—including Latin America, Europe, and Asia. My passion for production, attention to detail, and bilingual fluency in Spanish have earned the trust of major broadcasters, agencies, and studios worldwide.

KEY CREDITS AND COLLABORATIONS INCLUDE:

- Networks & Studios: ABC News Studios, National Geographic, CNN, Disney+, Nutopia UK, Protozoa (Darren Aronofsky)
- Agencies & Brands: Qantas, Tourism Australia, Land Rover, Air Canada, Paspaley, Cadbury
- Production Companies: Finch Company, Exit Films, The Sweet Shop, Blink, Rattling Stick, Academy Films USA
- Projects range from documentaries and TVCs to branded content and reality series.

Warren Hoodlum

oceania@hoodlum.tv
