MEET OUR FIXER

With deep local insight and extensive on-the-ground experience, our DRC fixer is your trusted production partner across the Democratic Republic of Congo. From navigating complex permitting processes and sourcing reliable local crew to scouting breathtaking locations and managing logistics in remote areas, they ensure your shoot runs smoothly from pre-production through to wrap. Whether you're filming in the heart of Kinshasa, the lush jungles of the Congo Basin, or the dramatic landscapes around Lake Kivu, our fixer provides seamless, hands-on support tailored to your production's unique needs.

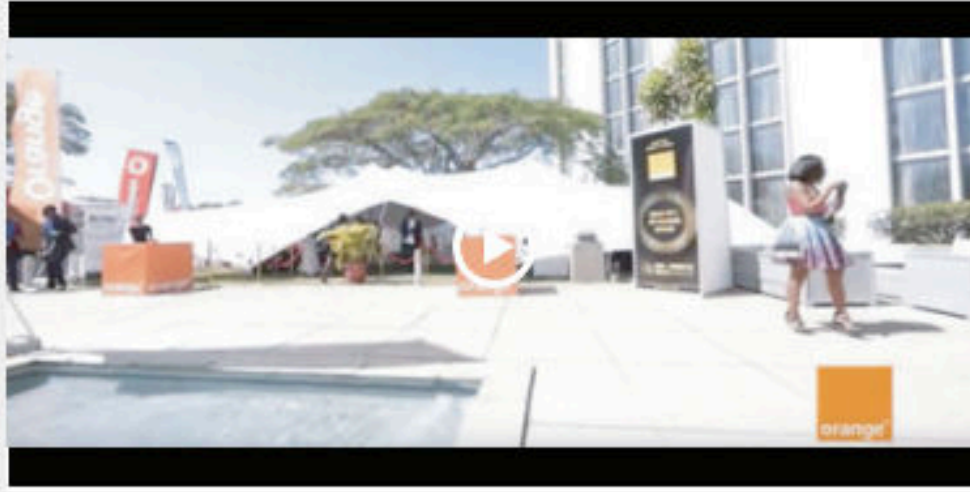

CLIENTS FIXER HAS WORKED WITH

Our DRC fixer has worked with leading clients including Orange, Vodacom, GLZ, the Ministry of Mines, ICASH Business Solutions, and MédiaLab.
