

HOODLUM

FILM FIXERS

Filming in ESTONIA

SERGEI | HOODLUM CV

www.hoodlum.tv

PROFILE

Experienced and resourceful fixer and field producer with a strong portfolio spanning culture, politics, nature, technology, and human-interest stories. Proven track record working with international broadcasters and production houses. Skilled in location scouting, access negotiation, logistics, research, translation, and on-ground coordination. Comfortable operating in rural and remote regions, and experienced with remote production protocols.
