## PROFESSIONAL SUMMARY

I am Ulrich, a passionate and versatile media professional with over a decade of experience in photography, videography, drone operation, and post-production editing. I've supported numerous artistic, social, humanitarian, and tourism-focused projects across Gabon and beyond. With a strong background in content creation for government, NGOs, and private sector clients, I bring a professional, autonomous, and results-driven approach to every project I undertake.

## PROFESSIONAL EXPERIENCE

Photographer / Videographer / Drone Pilot – Media Officer

AGATOUR – March 2023 to August 2024

- Produced high-quality images and videos for AGATOUR and the Ministry of Tourism
- Edited promotional videos and built a comprehensive digital archive and image bank

Photographer / Drone Pilot / Video Editor

Gabon Tourism Caravan – Dec 2023 to Aug 2024

- Documented missions promoting Gabon's tourism assets across multiple provinces
- Created videos broadcast on national TV and social platforms

Photographer / Videographer / Drone Pilot

THE EXPLORERS (France) – June 2023

- Captured Gabon's cultural and natural heritage in 4K/8K HDR for global distribution
